

ABOUT US

TESTED FOR LIFE

ONSHORE

Threat mitigation for hazardous areas is serious business, but we've got you covered. At RedGuard, we are your safety partner. With a passion for service, and as the leading authority in blast resistance, we help companies all over the world provide safe spaces by providing customizable and scalable modular buildings. Your needs are unique, so from initial design, to installation, and beyond, we give you our unsurpassed standards for quality and safety.

OFFSHORE

**LEASEFLEET.**

**LeaseFleet:** With the largest lease-ready BRB fleet of its kind in North America, you'll find quick, proven protection that's guaranteed to meet the needs of virtually any project—no matter how big. LeaseFleet has nearly 1,200 buildings and growing, providing you safety in numbers with a level of customer service that can't be found anywhere else.

**SAFETYSUITE.**

**SafetySuite:** When your needs for safe structures are more complex, RedGuard has a premier line of fully customized blast-resistant structures. These provide both the peace of mind and uncompromised comfort necessary to get the job done. Backed by the industry's only successfully tested, blast-resistant design and virtually unlimited manufacturing capabilities, a SafetySuite BRB is a durable, comfortable and reliable environment, unrivaled by the competition

**REDISUITE™**

**RediSuite:** To avoid custom project delays and save weeks in design and production time, we offer the industry's first standardized, suite-quality blast-resistant buildings. With top tier quality and safety, these pre-engineered modular buildings come in popular multi-functional layouts. Like all of our blast-resistant buildings, RediSuite increases efficiency and saves lives on-site

**VERSABILT™**

**VersaBilt:** Innovative modular structures designed to meet the changing needs of fast-growing organizations. Built upon an all steel frame, these structures are not only dramatically stronger and longer lasting than traditional wood frame buildings, they can be easily modified to grow with your organization. All VersaBilt structures are built in RedGuard's production facility to virtually eliminate disruptions and liabilities on your site.

**COVERSIX SHELTERS**

**CoverSix Shelters:** The ultimate solution to keep personnel, equipment and electronics safe and secure. CoverSix provides government and military customers with a wide variety of structures for protection and security at any threat level. These structures feature threat mitigation such as blast resistance, ballistic resistance and/or storm protection, as well as custom-outfitted ISO containers to be used as portable storage facilities and mobile office locations.

**SITEBOX STORAGE**

**SiteBox Storage:** As the go-to storage solution for companies throughout Kansas, Missouri, Oklahoma and Texas, SiteBox Storage offers you the most responsive and reliable customer service to help you become more productive, organized and better protected. And we do it in the shortest timeframe imaginable. Sitebox Storage has unmatched logistics and have one of the region's largest fleets of portable storage units and on-site offices.

**SPECIALIST SERVICES REDGUARD**

**Specialist Services RedGuard:** A Houston-based joint venture company formed by Specialist Services and RedGuard. It addresses the demand in the Western hemisphere's oil and gas industry for onshore and offshore modular buildings, technical buildings and accommodation modules, as well as service, maintenance, and parts.

**REDGUARD SPECIALIST SERVICES**

**RedGuard Specialist Services:** A Dubai-based joint venture company formed by Specialist Services and RedGuard. It specializes in the design, engineering and manufacturing of blast-resistant and ballistic-resistant modular buildings and has the engineering, design, manufacturing and distribution capability to address the needs of customers in the downstream segments and defense industry in the Middle East, Asia Pacific, Europe, Africa and North America.

At RedGuard, we focus on five key disciplines: concept, design, build, installation and operation. We have already earned the respect of oil and gas industry professionals throughout the world. As the leading authority in the area of modular safe space, we are proud to serve the world's largest corporations and look forward to earning your business and your trust.
