

GLOBALLY COMPLIANT MODULAR SOLUTIONS

Ensure safe, comfortable, and efficient operations wherever you go with Armoda's portable accommodation modules. Built to the highest safety standards, these modules are engineered to meet the demanding conditions of both offshore and onshore environments and other hazardous settings. Designed for reliability and performance, we also offer CSC options for a compact, shipping-compliant solution that helps reduce mobilization costs.

INDUSTRIES WE SERVE:

- Oil & Gas
- Energy
- Maritime
- Petrochemical
- Renewable Energy
- Military

BUILT TO EXCEED EXPECTATIONS

Fleet-Ready Accommodation Modules

Armoda Accommodation Modules are versatile, stackable living quarters designed for ships, barges, and offshore platforms, including military and federal deployments.

Capacity Configurations

Available in configurations for 4, 8, or 12 personnel, our accommodation modules come in sizes ranging from 8' x 20' up to 12' x 42', providing flexible, scalable solutions to fit your workforce needs.

Certification Requirements

Built to meet rigorous ABS, USCG, DNV, and SOLAS certifications, they ensure the highest levels of safety and quality.

Lightweight Modules

Available lightweight aluminum construction, these modules provide flexible solutions tailored to project-specific performance, weight and mobility needs.
