TESTED FOR LIFE

ONSHORE

Threat mitigation for hazardous areas is serious business, but we've got you covered. At RedGuard, we are your safety partner. With a passion for service, and as the leading authority in blast resistance, we help companies all over the world provide safe spaces by providing customizable and scalable modular buildings. Your needs are unique, so from initial design, to installation, and beyond, we give you our unsurpassed standards for quality and safety.

OFFSHORE

LEASEFLEET

LeaseFleet: With the largest lease-ready BRB fleet of its kind in North America, you'll find quick, proven protection that's guaranteed to meet the needs of virtually any project—no matter how big. LeaseFleet has nearly 1,200 buildings and growing, providing you safety in numbers with a level of customer service that can't be found anywhere else.

SAFETYSUITE

SafetySuite: When your needs for safe structures are more complex, RedGuard has a premier line of fully customized blast-resistant structures. These provide both the peace of mind and uncompromised comfort necessary to get the job done. Backed by the industry's only successfully tested, blast-resistant design and virtually unlimited manufacturing capabilities, a SafetySuite BRB is a durable, comfortable and reliable environment, unrivaled by the competition

REDISUITE

RediSuite: To avoid custom project delays and save weeks in design and production time, we offer the industry's first standardized, suite-quality blast-resistant buildings. With top tier quality and safety, these pre-engineered modular buildings come in popular multi-functional layouts. Like all of our blast-resistant buildings, RediSuite increases efficiency and saves lives on-site

VERSABILT™

VersaBilt: Innovative modular structures designed to meet the changing needs of fast-growing organizations. Built upon an all steel frame, these structures are not only dramatically stronger and longer lasting than traditional wood frame buildings, they can be easily modified to grow with your organization. All VersaBilt structures are built in RedGuard's production facility to virtually eliminate disruptions and liabilities on your site.

COVERSIX

CoverSix Shelters: The ultimate solution to keep personnel, equipment and electronics safe and secure. CoverSix provides government and military customers with a wide variety of structures for protection and security at any threat level. These structures feature threat mitigation such as blast resistance, ballistic resistance and/or storm protection, as well as custom-outfitted ISO containers to be used as portable storage facilities and mobile office locations.

SITEBOX STORAGE

SiteBox Storage: As the go-to storage solution for companies throughout Kansas, Missouri, Oklahoma and Texas, SiteBox Storage offers you the most responsive and reliable customer service to help you become more productive, organized and better protected. And we do it in the shortest timeframe imaginable. Sitebox Storage has unmatched logistics and have one of the region's largest fleets of portable storage units and on-site offices.

ARMODA

Armoda: Armoda provides a range of modular solutions, including completely custom-fabricated technical buildings and workforce accommodation modules for both offshore and onshore installations. The company has a fleet of leasable assets and an onsite service team for maintenance, service, and parts. In addition to the oil and gas industry, the company also supports renewable energy, maritime, military/defense, construction, and emergency response industries.

Why RedGuard?

RedGuard builds modular solutions that protect lives and assets. It is the leading supplier of blast-resistant buildings and modular safe spaces. RedGuard's other innovative divisions and product lines specialize in modular safe structures, most with threat mitigation. The company is dedicated to five key disciplines: concept, design, build, installation and operation. Its success across these areas of expertise has led some of the world's largest organizations to trust their employees' lives to RedGuard products.
